

HOT AIR BALOON MARRAKECH EXPERIENCE

-ENJOY MARRAKECH FROM ABOVE-

AN EXCEPTIONAL LANDSCAPE

MARRAKECH MOST BEAUTIFUL MORNING TOUR

You will not regret having to set your alarm clock for an early start to the most beautiful sunrise in Marrakech, if you arrive after a short drive in a 4 * 4 jeep at the foot of the Djebilet Mountains on the outskirts of Marrakech.

There, when the first rays of sunshine appear on the horizon, you will watch your hot air balloon inflate before you step into the basket and rise peacefully over the landscape.

A flight you will never forget. When your balloon suddenly rises into the atmosphere, all passengers experience an intense and fascinating spectacle, while the beautiful landscape appears before their eyes.

This impression that makes you float as you cling to rubble of hot air will quickly make you forget the surprise of the sudden vertical lift, just as an amazing landscape unfolds in front of your eyes, as the light of the rising sun You will watch the watchful villages below and the green fields will be brought to life through the breath of the new day.

Back on Earth, at the end of this unforgettable flight, a delicious Moroccan breakfast is served before returning to your hotel. Do you want to share this experience alone with your lover, family and friends? You can rent the balloon for your own private flight.
